## HDH-IAA Historical Archery World Championship 2022

### Classical Historical Targets Shooting World Championships :

**Rules** (<https://hdh-iaa.net/about-iaa>)

On the first 3 days competitors shoot on the qualification ranges on 3 different ranges each with 18 targets (18 classic target faces, 18 hunting targets (3D animals), 18 technical targets). On the 4<sup>th</sup> day competitors who accomplished the qualification will shoot. In the semi final there will be 18 targets (6-6-6 targets chosen from the qualification days). Those competitors who reached the specified level on every qualification day will shoot on the ranking day. The best 6 competitor from each category get into the finals.

| Qualifications levels      |   |   |
|----------------------------|---|---|
| Historical bows, crossbows | in total (total scores of the 3 ranges) | female: blue stick 40% / white stick 35%<br>male: blue stick 50 % / white stick 45% |
| Hunting bows               | in total (total scores of the 3 ranges) | female: blue stick 45% / white stick 40%<br>male: blue stick 55 % / white stick 50% |

### HDH-IAA Historical Long Distance Target Shooting World Championships

**Rules:** (<https://hdh-iaa.net/about-iaa>)

The competition is divided to 2 parts

1. Long Distance Shooting: 35-145 meters, 5 different distance, 7 arrows on each distance in order from the closest to the farthest than back from the farthest to the closest, totally 70 shoots.
2. The best 6 competitor from each category get into the finals duel. If the number of competitors does not reach 6, it is not necessary to shoot a final, the scores achieved so far determines the ranking. In the final there will be 5 target chosen from the ranking range. Maximum 7 arrows can be shot for each target

**For categories of less than 3 people, the World Championship title is awarded on the basis of a minimum result:**

|                            |                 |                          |
|----------------------------|-----------------|--------------------------|
| Historical bows, crossbows | minimum results | female: 25% / male 35 %  |
| Hunting bows               | minimum results | female: 30% / male: 40 % |

### HDH-IAA Flight Shooting World Championships

**Rules:** (<https://hdh-iaa.net/about-iaa>)

- Flight Shooting: in 4 bows styles with 2 pound limited. Maximum 5 arrows in one rounds. One competitor may compete in as many categories as long as she has a valid pre-entry (*The registration becomes valid when the entry fee arrives to the bank account*). Every participant will get a certificate about their longest shoot

### National Team Duels:

A team of four of the best competitors from a single country or nation selected from individual qualification rounds. Team finals are held after the individual finals.
